ADVERTISING IN WARTIME.

THE space on this page (and on others like it) would, under more normal circumstances, have been devoted to advertising the products of the undermentioned organisations; but, owing to the National emergency and the need for conserving paper supplies, we believe that the circumstances do not warrant such a course.

In order, however, that the Hospital's services to the sick and injured may not be impaired by the loss of income, we have asked the Council of Management to accept as gifts to the Maintenance Funds our payments of the advertising fees usually charged.

THE REPORT OF THE COUNCIL OF MANAGEMENT.

Presented to the Members at the Annual General Meeting,
held on 28th March, 1940.

The Council of Management of The Chester Royal Infirmary have the pleasure to present to the Members their Annual Report for the year ended 31st December, 1939, being the one-hundred and eighty-fifth since the establishment, and the third since the Incorporation of the Institution.

PATIENTS.

The average number of beds occupied daily was 172.08, and the average number of days each patient was resident, 14.90.

The number of In-Patients treated was as follows:—

Men	2,064
Women	1,801
Children (under 13 years)	..				503
					<hr/> 4,368 <hr/>

Of the above In-Patients, 552 were Medical, 2,086 were Surgical, 373 were Orthopædic, 247 were Ophthalmic, 665 were Ear, Nose and Throat, 28 were V.D., and 417 were Private. 3,371 In-Patient Operations were performed.

The following were the results of the treatment of the In-Patients:—

Discharged—

Cured	1,772
Relieved	2,088
Unrelieved	117
Died (68 within 48 hours of admission)	237

In the Out-Patient Department there were 17,362 admissions and 80,759 attendances, including 812 Operations.

These Statistics include Service Patients.

The following is a statement of Patients admitted during each of the last six years:—

	1934	1935	1936	1937	1938	1939
In-Patients	4,237	4,470	4,465	4,401	4,263	4,225
Out-Patients	12,235	13,140	13,157	14,094	16,179	17,362

The fall in the number of In-Patients is due to the reservation of Beds for possible Air-raid Casualties; on the outbreak of War the number of In-Patients fell to 65, and the average daily number of In-Patients for the last four months was 151.6

THE NATIONAL EMERGENCY.

On Government instructions, when War broke out, the bed accommodation was considerably increased above the normal capacity by making temporary use of all possible space. 85 Patients were sent home and the admission of Civilians limited to acute and urgent cases. These Emergency Measures were carried out by the Staff with admirable speed and efficiency, and were in preparation for the large number of Casualties due to enemy action, which was generally expected all over the country. In consultation with the Ministry of Health and Local Authorities, restrictions were gradually removed, and in November the normal complement of Beds both in the General and Private Wards was again put into service. Throughout the Emergency Period, Civilian and Service Patients were received.

Previous to the outbreak of War, a scheme for Hospital Training of Nurses of the Chester Division of the Order of St. John of Jerusalem and the Chester Division of the British Red Cross Society had been adopted and put into operation. The Council acknowledge the most useful help which has already been given in the Wards, and are glad to know that this valuable re-inforcement of the Nursing Staff will be available in any Emergency.

Nearly £400 has been spent on Air-Raid Precautions. These include the provision of an easily accessible entrance to the massive Eighteenth Century Cellars, and "Black-Out" arrangements which have proved to be most effective.

One House-Surgeon, two Sisters, two Nurses, two Dispensary Assistants and two Porters are now on War Service.

COUNCIL OF MANAGEMENT.

The Council regret to record the loss by death of Mr. F. W. Wignall and Mr. E. Yates. Mr. Wignall had been a Council Member for nearly ten years and took a keen interest in the Infirmary. Mr. Yates had given long and valuable services through the Hospital Saturday Committee and the Deeside Voluntary Hospitals Council for 46 years, and as a Council Member for 21 years.

The Council regret the departure of the Bishop of Chester, Dr. G. F. Fisher. They expressed their thanks to him for his support as a Trustee and Ex-officio Member, and their good wishes on his translation to the See of London. They welcome the Rt. Rev. Douglas Crick, who as the Lord Bishop becomes an Ex-officio Member.

The Council have recognised Dr. W. Henry Dobie's long and distinguished service by electing him to be an Honorary Member. Mr. A. K. Tyrer and Mr. W. Rains-Webster, Elected Members, have resigned. The vacancies for Elected Members have been filled under Article 42 by the election of the Rt. Rev. the Dean of Chester (Bishop N. Tubbs), Mr. Philip R. le B. Egerton, Mr. Kenneth T. Graham and Mr. R. H. G. Tatton, D.L.

As Representatives of the Deeside Voluntary Hospital Council, Mr. T. Blower, Mr. F. J. Brown and Mr. J. White are added, and Mr. T. Gubbins retires. Councillor G. O. Williams, M.B.E., has succeeded Alderman W. J. Rees as the Representative of the Flintshire County Council. Mr. W. Rowlands has succeeded Mr. L. J. Stapleton as Representative of the Llay Main Colliery Medical and Hospital Fund.

The Council express their thanks to retiring Members, and welcome the new Members.

The following Elected Members retire from the Council of Management, and being eligible, offer themselves for re-election:—Mr. F. Christian, Mr. W. Cullimore, Mr. J. P. Elsdon, Mr. Kenneth T. Graham, Mrs. D. Greenshields, Mr. E. Peter Jones, Mr. A. Matheson, Mr. A. W. McCay, Mr. R. H. G. Tatton, D.L., Mr. E. F. Wilson.

The Council, after the last Annual General Meeting, re-elected their Chairman, Mr. H. K. Frost, J.P., and their Deputy Chairman, Mr. T. Ketland, J.P.

FINANCE.

The Ordinary Expenditure shows a decrease of £291. The Expenditure has been well controlled under all headings, and only one item appears to call for comment. The shortage of Senior Nurses referred to in the last Report was made good before the end of 1938, and there was, therefore, no need to engage Private and Staff Nurses during 1939. The result is a decrease in Nursing Salaries.

Extraordinary Expenditure has increased by £379. Air-Raid Precautions have cost £387, and £312 has been spent on accommodation for the Accountant's and Appeals Departments. Members may be assured that good value has been obtained for the expenditure.

The Total Expenditure has risen by £87 only, a result which in present circumstances is very satisfactory.

Voluntary Gifts show an increase in total, but decreases under several headings. The fine increase in the grant from the Deeside Voluntary Hospitals Council is referred to later in this Report. The decreases are due in part to variations in Annual Gifts, which it is hoped will be made good in 1940, and to the allocation of gifts to the Extensions Appeal. A determined effort which is being made to increase the Voluntary Gifts is referred to later in this Report.

Under the heading of Receipts on Account of Services Rendered, an amount of £1,100 on account of Service Patients is included. There appears to be an idea abroad that the Infirmary has received such large payments as to make Voluntary Gifts unnecessary. This is a complete misunderstanding of the position. Provisional payments have been made to Voluntary Hospitals, but those payments are subject to a later settlement on the basis of services rendered, that is, of money expended on behalf of Service and Casualty Patients. The idea that the Infirmary no longer needs money is, therefore, entirely wrong. On the contrary, in War-time, some sources of Income decrease, Expenditure increases and Civilian Patients are still received. The Infirmary will therefore need more and not less help.

The reduction in Income from Invested Property will be adjusted by the repayment of Income Tax in next year's Accounts.

Under Extraordinary Income, an average amount of £2,210 has been transferred from the Legacy Equalisation Account.

To sum up, the deficit on the year's work is £1,352, compared with £1,644 in 1938, and the accumulated deficit on the General and Nurses' Home Extensions Accounts is now £19,568.

DEESIDE VOLUNTARY HOSPITALS COUNCIL.

Year by year, the Deeside Council face difficulties, solve problems and develop their scheme. During the last ten years the grants have increased by £1,000 or more every year, and this year in spite of variations of employment and the outbreak of War the increase is £1,233. The Council have passed the following resolution:—

“That the Council of Management receive with pleasure and gratitude a Grant of £15,000 from the Deeside Voluntary Hospitals Council for the year 1939. The Council of Management realise that to have collected such a large sum from the wide District served by the Infirmary must be the result of Mr. Ketland's fine organisation, real hard work and the tremendous interest he puts into his work. They offer their heartiest thanks and congratulations to Mr. T. Ketland, J.P., Organising Secretary, to the other Officers and Members of the Deeside Council, and the Works and Group Secretaries.”

Every Resident in the Area who may need the Infirmary should join the Scheme and is urged to do so. Particulars may be obtained from Mr. T. Ketland, J.P., Secretary, Deeside Voluntary Hospitals Council, St. Martin's Fields, Chester.

EXTENSIONS AND NEW BUILDINGS APPEAL.

When War broke out, the Quantity Surveyor and Consulting Engineers had already begun work in connection with Section I of the Extensions Scheme. The Architect was immediately instructed to issue orders that nothing further was to be done. The Council deplore the necessity for this step, and are deeply concerned at the situation created. The re-construction of the Boiler House is becoming increasingly urgent, and the present Out-Patient and Casualty Department is totally inadequate for present needs. The Council will give most careful consideration to the solution of these problems.

The Appeal was launched in May, and, in spite of the international situation, appreciable success was achieved by September. It was decided to keep the Appeal open, and progress has since been made. The Appeals Department has also been making a determined effort to increase the maintenance income.

LINEN LEAGUE.

The League's gifts of Linen, etc., amounting to £395, once again appear in Gifts in Kind. The League celebrates its Silver Jubilee this year. The Council congratulate and thank the President, Chairman, Officers, Committee, Subscribers and Flower Day Workers.

LADIES' DISTRICT ASSOCIATION.

A grant of £390 is gratefully acknowledged, and the Council express their appreciation of the interest and work which it represents, and offer their sincere thanks to the President, Vice-President, Chairman, Deputy Chairman, Hon. Secretary, District Representatives and Collectors, and to Mrs. W. Hamilton Carter and Mrs. Douglas Greenshields, who, in spite of bad weather, again successfully organised the Infirmary Ball.

X-RAY DEPARTMENT.

A Chaoul Therapy Apparatus has been installed at a cost of £774, and the Council offer their warm thanks to the Cheshire and North Wales Group Executive of the British Empire Cancer Campaign, who have defrayed the cost. £400 has been spent on an addition to the Deep Therapy apparatus. No less than £3,502 has been spent during the past three years on new apparatus, and the Council are glad to report that the Department is now provided with the most modern and efficient equipment and doing excellent work.

BOTH CABINET RESPIRATOR.

The Council have received with gratitude from Lord Nuffield the gift of a Both Cabinet Respirator or "Iron-Lung", and have expressed their thanks for this valuable addition to the equipment.

CANCER ACT, 1939.

A preliminary Conference has been held with the Chester Corporation on the preparation of a Scheme to provide the facilities required by the Act. Further consideration was delayed by the War, and the Ministry of Health have now extended the period for submission of Schemes to the 31st March, 1941.

BLOOD TRANSFUSION.

A Blood Transfusion Service has been in operation for some years. For the duration of the War, the Infirmary is working in a Regional Scheme and is a centre for the storage of blood for use in the event of Air Raid Casualties.

BRITISH HOSPITALS ASSOCIATION REGIONS.

The recommendations of the British Hospitals Association for Regional Areas are still awaited.

INTER-DEPARTMENTAL COMMITTEE ON NURSING SERVICES.

The Final Report has not been issued, and in the present circumstances no further action is possible. It should be added that the hours and conditions of service of the Nursing Staff of the Infirmary compare very favourably with those of similar Hospitals.

EGG APPEAL.

Grateful acknowledgments are given to the many kind donors and workers for a collection of 34,486 eggs.

CONVALESCENT PATIENTS' MAINTENANCE FUND.

Convalescent Homes were no longer available on the outbreak of War, and fewer patients were therefore sent. The number was 28, and 42 patients were referred to District Nursing Associations.

YERBURGH FUND.

The Fund was endowed by Mrs. Yerburch, in continuance of the Fund maintained by the late Mr. R. A. Yerburch in aid of incurable patients discharged from the Infirmary. It continues its useful service.

SAMARITAN FUND.

The Samaritan Fund has been helping necessitous patients to provide dentures, appliances, etc., and in many other ways, since 1886. The Committee work in consultation with the Almoner, and through her with Local Authorities and Voluntary Bodies. The Council express their thanks.

NIGHT AND DAY VOLUNTEER MOTOR SERVICES.

The Services, with other Motorists, rendered most valuable help in evacuating Patients on the outbreak of War, and, in spite of Petrol rationing, are being maintained. Volunteers are needed. Offers of assistance should be addressed for the Night Service to Mr. G. N. Milton, "Endon", Newton Lane, Hoole, Chester, and for the Day Service to Chester Branch, Toc H, 52, Whitchurch Road, Chester.

CHAPLAINS.

The Council congratulate the Revd. Canon Baxter, Church of England Chaplain, on his appointment as an Honorary Canon of Chester Cathedral, and offer their thanks to the Chaplains for their devoted and helpful service; they feel sure that the Patients and Staff would desire to be associated with this expression of thanks.

HONORARY STAFF.

The Council congratulate Dr. W. H. Grace, Pathologist, on the honour of election as a Fellow of the Royal College of Physicians.

The resignation of Dr. R. S. Topham, Honorary Radiologist, is reported with regret, and the Council express their thanks to him for his services during the past twelve years.

The appointment of Honorary Assistant Radiologist has been abolished, and Dr. R. F. Innes (formerly Honorary Assistant Radiologist), and Dr. D. B. Faulds (formerly Assistant Radiologist at the Edinburgh Royal Infirmary), have been appointed Honorary Radiologists.

The Council are glad to report that Professor A. E. Owen, M.A., Sc.D., D.Sc. (Professor of Physics at the University of Bangor) has kindly consented to act as Honorary Consultant Physicist.

The Council express, on their own behalf, and on behalf of the Patients, thanks to the Honorary Staff for their unremitting and skilful services.

AUDITORS.

The Auditors, Messrs. Warmesley, Henshall & Co., retire, and offer themselves for re-election.

ASSISTANT SECRETARY.

Mr. H. H. Jones, A.H.O.A., Assistant Secretary, has been appointed as House Governor and Secretary of the Birmingham & Midland Eye Hospital. The Council thank him for his fifteen years' service, and express their congratulations and good wishes to him on his new appointment. Mr. C. W. Bowley has been promoted to fill the vacancy.

PRESS.

The Council desire to tender their sincere thanks to the Press for the valuable assistance which they have rendered from time to time by publishing reports of the activities of the Infirmary.

STAFF.

The work of a Hospital is, on the one side, routine, but on the other a succession of emergencies. The Staff, whether on duty by day or night, respond quickly and efficiently to the calls, and the Council on their own behalf, and on behalf of the Patients and Public, express their thanks.

To the Members of the Chester Royal Infirmary (Incorporated).						
We beg to report that we have examined the Books and Accounts of the Chester Royal Infirmary (Incorporated) for the year ended 31st December, 1939. We have verified the Investments either by actual inspection or by Certificate from the Bank of England in the case of Inscribed Stocks and as to other Investments by Certificate from the Charity Commissioners. We have also inspected the Deeds of the various Properties. We have also examined the Balance Sheet made up to the 31st December, 1939, and have obtained all the information and explanations we have required. In our opinion such Balance						
Sheet is properly drawn up so as to exhibit a true and correct view of the state of the affairs of the Chester Royal Infirmary (Incorporated) according to the best of our information and the explanations given us and as shewn by the Books.

RADIUM DEPARTMENT.

135 patients were examined at the Monthly Clinics during 1939, 40 of whom were new patients. Thirteen patients were treated at the Christie Hospital and Holt Radium Institute, Manchester, under the Agreement in operation with that Hospital.

The total number of cases treated since the opening of the Department in 1930 is 1,027.

The following statements shew the treatment given:—

Radium Department—continued.

The Department has continued to function throughout the last year, and in spite of the restricted facilities for travelling, the attendances shew a gratifying result.

A close touch is being kept with the modern trend of research, so that any advance in treatment or improvement in technique is immediately available for patients using the services of this Department.

It is hoped that as soon as the national situation permits, the recently passed Cancer Act will be put into operation, and this should enable the department to extend its services over a wider area.

J. N. ADAM, M.B., F.R.C.S. (EDIN.), *Chairman.*

W. H. GRACE, M.D. (LOND.), F.R.C.P. (LOND), *Hon. Registrar.*

X-RAY DEPARTMENT.

In October of this year the mechanical rectification of the set was done away with, and in its place was installed a two-valve transformer, thus bringing the plant further up to date. The output of the plant and also the type of ray produced is being maintained.

The results obtained continue to be satisfactory and comparable with other treatment centres.

A Chaoul Contact Therapy machine was installed in June of this year. It was, however, some time later before it was fully calibrated and put into commission. This installation has been of considerable value in the treatment of superficial and "approachable" lesions, but especially so since hostilities broke out, when a number of cases which would have been but could not be, treated by Radium, were referred to us for this form of treatment. The immediate response to treatment in these cases has been very good, but it is, of course, too early to arrive at any definite conclusion.

Up to the end of the year 23 cases were treated by the Chaoul machine. We look forward keenly to working with this plant—the "youngest" in the therapy world—and appreciate our good fortune in having been given such a machine.

During the year, Dr. R. S. Topham retired, and Dr. D. B. Faulds, M.B., ChB. (Glas.), D.M.R. (Edin.), Assistant Radiologist, Royal Infirmary, Edinburgh, was appointed to the Staff.

CHESTER ROYAL INFIRMARY LADIES' DISTRICT ASSOCIATION.

Report.

In presenting the Seventeenth Annual Report of the Ladies' District Association, the Committee much regret to state that the grant paid to the Chester Royal Infirmary this year is £190 less than in 1938. This is due to war conditions, which have made it impossible to organise the work as completely as usual. Many collectors are fully employed on war work of one kind or another, while the black-out and the weather have adversely affected the various entertainments which are the chief sources of income in many of the country districts. All things considered, it is very creditable that the sum of £221 11s. 0d. has been sent in as the result of all the collections. One district, St. Mary's Ward, represented by Mrs. Alan-Williams, has actually collected more than last year, while some districts are only a few shillings short, but in the more scattered places, the shortage of petrol and other difficulties have made the normal activities impossible. All the representatives have done their very best, and we greatly appreciate their efforts to carry out under such adverse circumstances what is, at the best of times, a difficult task.

Miss Hayes heads the list with the splendid total of £51 10s. 8d., largely made up of small sums. Mrs. Peter Bell, who kindly undertook Christleton in place of Mrs. Carr, was prevented from doing as much as she hoped by a long illness in the autumn, and has done well to collect £10 3s. 10d. in spite of this. We are also very grateful for continued support from the Maesfen Charity Cup Competition.

The Annual Ball was held on January 6th, 1939, and provided a most enjoyable evening. Unfortunately the donations did not come up to the usual amount, and not quite so many tickets were sold as in previous years. Nevertheless, a sum of £179 4s. 6d. was handed over as a result, and our best thanks are due to Mrs. Greenshields and all who helped to organise it.

At their Meeting on March 5th, 1940, the Council of Management passed the following resolution:—

“That the Council of Management acknowledge with gratitude the receipt of the grant of £390 for the year 1939 from the Ladies' District Association. The Council desire to express their appreciation of the interest and work which the grant represents, and to offer their sincere thanks to the President, Vice-President, Chairman, Deputy-Chairman, Honorary Secretary, District Representatives and Collectors.”

LIVOGEN

The War-time Tonic

Livogen contains in addition to liver extract all the members of the Vitamin B complex. It acts not by goading on tired and worn-out tissues but by stimulating the processes of repair and replacement and by supplying those substances which are essential for the smooth working of devitalised tissues.

It provides precisely those factors which are likely to be deficient as a result of the rationing of meat and the need for which is increased through mental and emotional stress. It is appropriate, therefore, to describe Livogen as the rational war-time tonic.

EXTRACTS FROM ARTICLES OF ASSOCIATION.

Membership.

2.—The number of the members with which the Association proposes to be registered is declared to be unlimited.

3.—The original members of the Association and such other persons as shall be admitted to membership in accordance with the provisions hereinafter contained shall be members of the Association and shall be entered in the Register of Members accordingly.

4.—The power of admitting members of the Association shall be vested in the Council, but shall be exercised by the Council subject to any Association Rules affecting such power.

5.—Every member must, before being admitted, sign a written consent to become a member in such form as the Council shall approve.

6.—There shall be five classes of members of the Association, namely:—

- (i) Ex-officio members.
- (ii) Life members.
- (iii) Ordinary Members.
- (iv) Representative members and
- (v) Honorary members.

Ex Officio Members.

7.—The following shall be entitled during tenure of office to be ex-officio members of the Association, namely:—

The President of the Association.

The Lord Bishop of the Diocese of Chester

The Mayor of the City of Chester.

Life Members.

8.—The following shall be entitled to be Life Members of the Association:

- (a) Every person who was immediately before the incorporation of the Association a Life Governor of The Chester Royal Infirmary (unincorporated).
- (b) Every individual person who shall give to the Association by way of donation out of his own private funds a sum of twenty guineas and upwards at one time.
- (c) In a case where a legacy or gift of the value of at least £500 (free of death duties) shall be paid to the Association under the Will of a deceased person, either (i) two persons specially nominated by such Will for such purpose, or (ii) all the executors of such Will.
- (d) In a case where a legacy or gift of the value of less than £500 (free of death duties), but of the value of at least £100 (free of death duties), shall be paid to the Association under the Will of a deceased person, either (i) one person specially nominated by such Will for such purpose, or (ii) one executor of such Will.

Ordinary Members.

9.—The following persons shall be entitled to be Ordinary Members of the Association, namely:—

- (a) Every individual person who shall give to the Association by way of annual subscription out of his own private funds the sum of £2. 2s. or upwards.
- (b) The nominee for the time being of every body which shall give to the Association by way of annual subscription the sum of £2 2s. or upwards.

Representative Members.

10.—The following persons shall be entitled to be Representative Members of the Association, namely:—

Such persons appointed by and for the time being acting as representatives of such bodies, or classes of persons in such manner and for such periods and on such terms and conditions as may be from time to time prescribed or approved by the Association Rules or subject to the Association Rules by the Council, but so that the total number of Representative Members shall not for any time being exceed one-third of the total number of members of the Association. A Representative Member shall as between himself and the Association be a member in his own right and shall be subject to the same obligations and liabilities in all respects as if he had not been appointed by and were not acting as a representative of any body or class of persons.

Honorary Members.

11.—The following shall be entitled to be Honorary Members of the Association, namely:—

- (a) Joseph Banks, of Hallow Park, Worcester; George Whitley Hayes, of Upton Grey House, Basingstoke, Hants.; James George Taylor, M.A., M.D. (Cantab.), F.R.C.P. (Lond.), Plas-y-Garth, Glynceiriog, nr. Wrexham.
- (b) The Visiting Medical Officers for the time being.
- (c) Such persons appointed in such manner and for such periods and on such terms and conditions as may be from time to time prescribed or approved by the Association Rules or subject to the Association Rules by the Council.

Annual Subscriptions.

12.—Each annual subscription shall be treated as paid for a year ending on the 31st December, and every current annual subscription payable for any year shall become due on the 1st January of that year.

Cessation of Membership.

13.—An Ordinary Member shall cease to be a member of the Association if his qualifying annual subscription shall remain unpaid for two complete successive years, commencing on the 1st January.

14.—Any member of the Association shall forthwith cease to be a member:—

- (a) If he shall die, or
- (b) If he shall resign his membership by giving a notice in writing to the Association to that effect, or
- (c) If he shall be removed from membership by an Extraordinary Resolution passed at a General Meeting of the Association at which he shall have been given a proper opportunity of attending and being heard, or
- (d) If he shall by cessation of office or in any other manner cease to be entitled to remain a member of the Association.

REGULATIONS FOR PRIVATE WARDS.

1. Only cases suitable under the Infirmary Rules can be admitted.
2. The Patient can be attended by his or her own Medical Attendant only in co-operation with a Visiting Medical Officer of The Chester Royal Infirmary. The use of the Operation Theatres shall be restricted to the Surgical Staff of The Chester Royal Infirmary or of a recognised Teaching Hospital and Surgeons in Consulting Practice only. No operation can be arranged or carried out without the co-operation of a Member of the Surgical Staff of The Chester Royal Infirmary. Any Visiting Medical Officer called in as a consultant will be entitled to a fee for his services.
3. The charge is Six Guineas per week for a Cubicle and Seven Guineas per week for a Room. Patients admitted for less than a week shall pay One Guinea for each day. The day of admission and the day of discharge are charged as one day. Expensive Drugs will be charged. A charge will be made for X-Ray Department Services. If a Patient requires the services of a Private Nurse the usual charges for Private Nurses will also be made. These Private Nurses shall be engaged by the Matron with the approval of the Medical Officer concerned, and shall be paid for by the Patient through The Chester Royal Infirmary. Washing of personal linen cannot be undertaken.
4. All payments must be made weekly and should be sent to the Secretary.
5. No Member of the Salaried Staff shall accept any fee, reward, gratuity or present of any kind on account of services to be rendered, or which have been rendered.
6. Patients may be visited by any Clergyman or Minister of Religion whom they desire.
7. Visitors are only allowed by wish of the Patient. The hours of visiting (except in emergency or special circumstances) are from 2 to 4 p.m. and 6.30 to 7.30 p.m. daily. The wards are closed altogether to visitors (except in emergency) between 4 and 6.30 p.m. daily. Visitors are requested not to enter the wards without permission of the Sister or the Nurse in charge, of whom also enquiries may be made. Not more than two visitors should visit a patient at a time. Articles of food or drink must be handed to the Sister in charge for use at her direction.
8. The Council of Management are not responsible for the Property of Patients or Visitors, except when handed over to the Sister or Nurse in charge and a receipt is given. Money or articles of value may be handed to the Secretary for safe custody, when a receipt will be given for them.

ADMISSION OF PATIENTS.

IN-PATIENTS.

(RULE XI.)

(a) Except as hereinafter mentioned, every person who, in the opinion of a Visiting or Resident Medical Officer, needs hospital treatment, shall be admitted as an In-Patient to the Infirmary upon condition that he shall agree to pay such fees, if any, towards the cost of his maintenance as shall be determined by the Council.

(b) A Patient may be admitted under an Agreement with a Local Authority upon such terms and in accordance with such regulations as may be agreed upon by the Council with such Local Authority or Authorities.

(c) Every person who is a beneficiary under the Scheme of the Deeside Voluntary Hospitals Council or under any other Hospital Benefit Scheme approved by the Council, shall be admitted to a Public Ward and maintained without payment of fees if he shall produce the special form of recommendation provided by the approved scheme, signed by any person who shall, under the provisions of such scheme and these Rules, be authorised to sign such recommendations.

(d) If at any time there shall, in the opinion of the Medical Officer receiving the application, be insufficient accommodation in the Infirmary for every person desiring to be admitted as an In-Patient, the person or persons shall be preferred who, in the opinion of the said Medical Officer most urgently require admission.

(e) The name or names of any person or persons who shall be unable to obtain admission by reason of lack of accommodation shall, if the patient so desires, be entered on a Waiting Admission List.

(f) No person who is suffering from Small Pox, Chicken Pox, Measles, Scarlet Fever, Diphtheria, Puerperal Fever, Erysipelas, Epilepsy or Pulmonary Tuberculosis shall be admitted to the Infirmary.

(g) Any In-Patient who fails to conform to any of these Rules or any Regulations made by the Council or any order given by any Member of the Staff with the authority, expressed or implied, of the Council may be discharged.

(h) A Patient in the Private Wards can be attended by his or her own Medical Attendant only in co-operation with a Visiting Medical Officer of the Infirmary. The use of the Operation Theatre shall be restricted to the Surgical Staff of the Infirmary, or of a recognised Teaching Hospital, and Surgeons in consulting Practice only. No operation can be arranged or carried out without the co-operation of a Member of the Surgical Staff of the Infirmary. Any Visiting Medical Officer called in as a Consultant will be entitled to a fee for his services.

OUT-PATIENTS.

(RULE XII.)

(a) The primary object of the Out-Patient Department shall be for consultation.

(b) Every person applying at the Out-Patient Department shall be entitled to receive any urgent treatment which a Medical Officer shall consider to be necessary.

Out-Patients—continued.

(c) No person who, in the opinion of the Medical Officer, can obtain the necessary treatment under the National Health Insurance Acts, or other Public Service, or as a member of a Sick Club, shall be continued as an Out-Patient.

(d) No person who, in the opinion of the Council, shall be able to pay for treatment privately, shall be continued as an Out-Patient.

(e) Each person admitted as an Out-Patient shall pay such fees, if any, as the Council may from time to time determine.

(f) Every person who is a Beneficiary under the Deeside Voluntary Hospitals Council or under any other Hospital Benefit Scheme approved by the Council, shall receive medical attention as an Out-Patient without payment of fees, if he shall produce the special form of recommendation provided by the approved scheme, signed by any person who shall, under the provisions of such scheme and these Rules, be authorised to sign such recommendations.

(g) Every person attending the Out-Patient Department under an arrangement with a Local Authority or Local Authorities shall receive medical attention under such regulations as may be agreed upon by the Council with such Local Authority or Authorities.

(h) Any Out-Patient who fails to conform to any of these Rules or any Regulations made by the Council or any order given by any Member of the Staff with the authority, expressed or implied, may be discharged.

RECOMMENDATIONS.

In pursuance of a practice which is now general amongst the Hospitals of the Country, recommendations are not now issued to contributors. Vouchers continue to be issued by the Deeside Hospitals Council to their beneficiaries.

This does not involve any reduction of the privilege of subscribers to introduce to the Hospital any persons who are in need of its services. The policy of the Hospital continues to be that of rendering all such service as is possible to all those who need it, at such charge as each patient can afford to pay. The continuation of the financial support of subscribers will enable the Hospital to maintain this policy.

PAYMENTS BY PATIENTS.

The following fee is payable by or on behalf of In-Patients:—

NOT LESS THAN 35s. PER WEEK.

The first-week's payment must be made in advance.

The following fees are payable by or on behalf of Out-Patients:—

PER ATTENDANCE : NOT LESS THAN 1s.

MINOR OPERATIONS AND PER ATTENDANCE IN THE X-RAY DEPARTMENT :

NOT LESS THAN 5s.

The Council of Management recognise that there will be cases in which these charges cannot possibly be met, and special consideration will be given to these cases.

THERE ARE MANY WAYS OF HELPING.

More monetary support for the Hospital is urgently required because

Requests for treatment increase in number each year and running costs mount in consequence.

As each year comes and goes, friends, who have regularly contributed to its work, pass on and it is essential that new friends be found to take their places.

There are many ways of helping:—

By subscribing a yearly guinea, two or more.

By contributing a Donation, be it in terms of pounds, shillings or pence.

By organising a Social Function on the Hospital's behalf.

By sending gifts of Eggs, Fruit, Vegetables, Silver Paper, etc.

By making a Gift to your Hospital Sunday Collections.

By remembering the Hospital in your Will.

AN INVITATION

If at any time you and your friends should care to make first-hand acquaintance with the many intricate "inner-workings" of this large General Hospital, a member of the Staff will be glad to show you round. As a Visitor you cannot fail to discover much of interest, and it is our desire to have both your interest and your goodwill.

The Appeals Organiser will be pleased to arrange a convenient time if you will ask him to do so.

SUBSCRIBING UNDER COVENANT

The Scheme of Subscribing to the Hospital "Under Covenant" has much to commend it, because

- (a) The amount of each year's Subscription is substantially increased **without any additional cost to the Subscriber.**
- (b) The covenanted Subscriber who pays Surtax may include in his or her Return of Income the **gross** amount of subscription as a charge against income, thereby reducing the total sum on which Surtax has to be paid.

The Subscriber having completed the form of Covenant, which is executed for "a term of seven years or during lifetime, whichever shall be the shorter period," forwards it to the Hospital with his or her usual Annual Subscription. A Certificate relating to the Subscription, signed and returned each year, becomes the basis of re-claim.

The Hospital will conduct the few necessary formalities (without cost to the Subscriber), and will obtain from the Inland Revenue the refund of Income Tax paid on the Subscription.

With the standard rate of Income Tax at 8s. 6d. in the £, each £1 1s. subscribed is increased by 15s. 6d. Thus a Subscription of £1 1s. becomes £1 16s. 6d.

£2 2s. becomes £3 13s. 0d.

£5 5s. becomes £9 2s. 7d.

A Form of Covenant will be furnished on a request being made to the Appeals Organiser.

Extensions Appeal Fund for £165,000

THOUGH the War is adversely affecting the Hospital's efforts in connection with the above, the Fund remains OPEN. The needs for an extended Hospital are even greater now than ever before.

1. Many more people are using the Hospital because they realise the value of its service. Out-patient attendances continue to increase in number each year and the present accommodation is totally inadequate; this Department is too small and is out-of-date.

A New Out-patient and Casualty Department will cost £46,000.

2. Medical Science has advanced rapidly. More diseases are curable. New Wards are essential for Aural, Nasal, Throat, Eye and Orthopædic treatments.

These New Wards will cost £36,500.

3. Nurses' hours are too long. Shorter terms of duty will mean more Nurses. New Wards will also mean more Nurses.

A Nurses' Home Extension will cost £29,500.

4. There are many people who welcome the skill and modern equipment of the up-to-date Hospital and are willing and able to pay for private ward maintenance and treatment. The Hospital is anxious to meet these wants.

A Private Ward Block will cost £22,000.

5. The foregoing four Extensions will entail new Boiler House, Laundry, more Staff accommodation, Offices and Equipment.

These will cost £31,000.

Gifts, large and small, to help us with this magnificent improvement Scheme will be tremendously welcome.

YOUR GOOD HEALTH!

GOOD HEALTH is a possession the value of which it is impossible to express in terms of £ s. d.

By dint of Medical and Surgical Skill, careful Nursing and devoted Research, the Chester Royal Infirmary strives for the winning of good health to those without it, and its work can, to a point, be expressed in monetary terms. Last year at a cost of £41,177 to the Hospital. 17,362 Out-patients and 4,368 In-patients received treatment. YET with more £ s. d. much more could have been achieved.

SUBSCRIPTIONS and DONATIONS from those who value their own Good Health and that of their fellow men and women will be gratefully accepted.

ISN'T SUCH WORK WORTH YOUR
SUPPORT?

Will YOU count it YOUR privilege thus to show YOUR appreciation of the good health which is YOURS and so help the

NATION'S GOOD HEALTH?
